

LOCAL NEWS.

REASONS WHY HENRY CLAY SHOULD BE ELECTED PRESIDENT; BY AN ADOPTED CITIZEN.—An ably written pamphlet with the above title, has been laid before us by the kindness of the author, a gentleman of this city, which we cannot too highly commend to the Whigs of the Union for general dissemination. The arguments are convincing and unanswerable; and treats on the subject of politics in a candid and novel style, which commends the work to the favorable consideration of every reader, and especially to the adopted citizen. It is for sale at Farnham's.

CRIMINAL COURT.—After the disposal of some petty cases in this Court on yesterday, Winfrey and Stone, charged with the robbery of a fellow boarder at Mrs. Chisholm's, 4½ street, on the night of the 1st of January last, were arraigned and plead guilty to the indictment. They were thereupon remanded to prison, to await the sentence of the law.

THE ELECTION on yesterday for delegates to a convention on the city charter passed off very quietly, and but little interest seemed to be felt in the affair, save in the Second and Third Wards, where the voting was pretty warmly conducted. We shall publish the returns in our paper of to-morrow.

At an adjourned meeting of the citizens of Washington, convened at the Medical College, on Wednesday evening, February 14, (WILLIAM ARCHER, Esq., Chairman) to consider the subject of establishing a system of public schools for the city and District, the following gentlemen were appointed ward committees to call ward meetings, with a view of eliciting the state of public feeling, and producing harmonious and united action on the subject:

1st Ward—C. A. Davis, G. J. Abbott, A. F. Wilcox, 2d Ward—John Wilson, J. F. Haliday, Wm. Lloyd, 3d Ward—Sam'l Bacon, J. F. Callan, Thos. Donoho, 4th Ward—N. C. Towle, B. B. French, J. B. North, 5th Ward—S. Byington, S. Frazier, J. C. Fitzpatrick, 6th Ward—S. B. Beach, T. Thornley, Jas. Crandell.

Resolved, That the Secretary notify the gentlemen (not present) of their appointment, obtain their acceptance, and call a future meeting.

The above named gentlemen are requested to meet at the office of Thomas C. Donn, Esq. (late M'Dermott's) on Thursday evening, the 7th inst., at 7 o'clock.

By order of the meeting,
A. F. WILCOX, Secretary.

STOLEN, from the office of the Whig Standard, two bundles containing Nos. 3 and 7 of the Weekly edition of that paper. Whoever may have purchased them will confer a great favor by sending information to the office.

TWENTY-EIGHTH CONGRESS, FIRST SESSION.

WEDNESDAY, MARCH 6, 1844.
SENATE.

The following petitions and resolutions were presented and appropriately referred.
Mr. SEMPLE, from citizens of Alton, Illinois, in favor of continuing the National Road.

Mr. HANNEGAN, from several thousand citizens of Indiana and Ohio, asking a grant of land to finish the Wabash and Erie Canal.

Mr. PHELPS, a series of resolutions from the Legislature of Vermont, in reference to the annexation of Texas, and upon the subject of slavery; the former were referred, the question of the reception of the latter was, on motion of Mr. KING, laid on the table.

Mr. CRITTENDEN, resolutions of the Legislature of Kentucky, unanimously passed, asking a grant of land in the Vincennes District for completing a communication between Lake Erie and the Ohio river; also resolutions for reducing the present rates of postage.

Mr. BERRIEN, resolutions of the Chamber of Commerce of the city of Savannah on the subject of postage.

Mr. BARROW moved that the papers in the case of — Milligan be taken from the Committee on Public Lands, and referred to the Committee on Private Land Claims.

Resolutions laid over.
Mr. ARCHER submitted a resolution that the Committee on Revolutionary Pensions inquire into the expediency of procuring a transfer from the State to the War Department, of such papers of General Washington as may furnish evidence of titles to pensions.

Mr. WOODBRIDGE submitted a resolution that No. 7 of House document 296 (Coast Johnson's plan) be printed for the use of the Senate.
Several messages in writing were received from the President.

A large number of bills were read a third time and ordered to be engrossed; among them on introduced by

Mr. BARROW, for the repeal of the act dismounting the 2d Regiment of Dragoons.

A bill to adjust land claims in Louisiana, Arkansas, Mississippi, and Alabama, was taken up, and Mr. BARROW moved several amendments which he explained and enforced at some length.

Mr. JOHNSON also enforced the amendments.

The bill was discussed by several others; and finally, on motion of Mr. HAYWOOD, the amendments were ordered to be printed, and the bill was laid on the table.

The Senate passed into Executive session; and, after a short time spent therein, adjourned.

HOUSE OF REPRESENTATIVES.

A fresh effort was made to effect some change in the regulations concerning pages, folders, doorkeepers, &c., and some time was wasted upon the subject, during which Mr. PAYNE, of Alabama, and others, complained of the character of the documents circulated from the folding rooms, Whig songs, &c. (and Dr. DUNCAN suggested, in a whisper, which Mr. P. repeated,) and "fifty-two reasons for opposing the election of Martin Van Buren." All this, Mr. P. denounced, as fraud upon the Government.

Nothing was said, however, of the documents scattered abroad by the Locofocos, who are as two to one in the House.

The whole subject was again laid upon the table—98 to 71.

NAVY.
A bill was reported from the Naval Committee to regulate the appropriation of money in this Treasury Department, designed for the naval service.

PENNSYLVANIA AVENUE.
A motion was made to reconsider the vote of yesterday, whereby the bill for improving the national thoroughfare was laid on the table.

Mr. CAMPBELL, of South Carolina, strove for the reconsideration, and Mr. CAVE JOHNSON against it. The yeas and nays were taken, and the motion to reconsider was laid on the table by 90 to 69.

RESIGNATION.
The SPEAKER laid before the House the letter of resignation of Hon. SAMUEL BEARDSLEY, of New York. The Speaker was directed to fill the vacancy in the Committee on Foreign Affairs caused by this resignation.

MASSACHUSETTS RESOLUTIONS.
Mr. DROMGOOLE presented resolutions by the General Assembly of the Commonwealth of Virginia, counter to those by the Commonwealth of Massachusetts, upon the subject of amending the Constitution.

Mr. BELSER wished to present like resolves from Alabama.
Mr. DROMGOOLE moved the reference of those from Virginia to a Select Committee of nine, and called for the previous question.

Mr. WINTHROP reminded the House that the Massachusetts resolutions had not been received.

The previous question, after two ineffectual efforts to get a quorum, was seconded. [A warlike looking Indian chief, painted deeper than is fashionable among our ladies, attracted more attention just at this moment than the business of the House.]

On the motion to refer to a select committee, Mr. WINTHROP demanded the yeas and nays, and they were ayes 128, noes 34.

Mr. ADAMS wished to make some movement in connexion with this subject, but objections were made.

ORDER OF THE DAY.
The bill providing for the choice of Electors of President and Vice President simultaneously throughout the Union was taken up, as in Committee of the Whole.

Mr. HOPKINS, of Va., in the Chair.
Dr. DUNCAN made a furious Locofoco speech, full of all sorts of fierce epithets and charges against the Whigs, which recalled to our mind the time when the Doctor was so severely handled by Messrs. Prentiss, of Miss, Stanley, of N. C., and Menifee, (since deceased,) of Ky.

The hammer fell before Dr. D. had half done, and

Mr. PAYNE, of Ala., endeavored to get a suspension of the rules to let the Dr. go on.

Mr. SCHENCK, of Ohio, was willing that the one hour rule should be suspended for this debate, provided the calling of the previous question was precluded.

Some confusion followed, and Mr. ADAMS made a few remarks, whose purport we lost.
Mr. ELMER, of N. J., finally took the floor,

and spoke briefly upon the question, and concluded by moving an amendment.
Dr. DUNCAN again took the floor, and was recognised by the Speaker.

Messrs. HARDIN and DICKINSON raised a question of order, and denied the right of the member from Ohio to speak again upon this question, but the Chair decided otherwise, and that when an amendment was made changing the features of a bill, a member might speak a second hour upon the amendment.

Mr. SCHENCK suggested that a member might then speak an hour, and at the end of that time himself move an amendment, which would enable him to speak another hour.

The majority refused to sustain the call for the yeas and nays, and Dr. Duncan proceeded with his stump speech. In the course of his remarks the Dr. exhibited a diagram of a con, displaying the entrails, upon which he made some professional remarks. Several of the old banners of 1840 were introduced by the Dr., by way of illustration of his speech.

Mr. CLINGMAN, of N. C., next got the floor, and moved an adjournment; which was carried by a division.

BY LAST NIGHT'S MAIL.

THE WHIG STATE CONVENTION OF PENNSYLVANIA

Met at Harrisburg on the 4th inst., and was organized by the appointment of Wm. MARKS, of Alleghany, as President, with fifteen Vice Presidents, and seven Secretaries. Messrs. Markle, Banks, Middlewarth, Toland, Irvin, Butler, and Cooper were severally nominated as candidates for Governor. Five ballots were had on the first day, but no choice was effected. The following is the result of the last ballot:

Irvin 50; Banks 39; Markle 39; Toland 2; Cooper 3.

After the first ballot Messrs. Butler and Middlewarth were withdrawn. Everything went on harmoniously.

On the second day the balloting was resumed, when the mail left seven more were had, and on the 12th ballot were as follows: Irvin 53; Markle 43; Banks 36; Cooper 1.

ARRIVAL OF THE DELAWARE.—The U. S. ship Delaware, Capt. Charles S. McAuley, bearing the broad pennant of Commodore Morris, is reported in Hampton Roads from the Mediterranean—time of leaving not yet known.

The Delaware was ordered for Boston by Secretary Henshaw; but from the circumstances of her having received on board a quantity of ponderous statutory to be delivered at Washington, and in consideration of the manifest blunder of the Secretary in ordering a ship of war to a northern port in the depth of winter, it seems that Commodore Morris has taken the responsibility of steering for the Chesapeake, and making a port at the Norfolk station, where his noble ship was built, and where we have had little or no ice this winter, except what was brought from Boston 1—[Norfolk Herald of March 5.]

IMPORTANT DISCOVERY.—Richardson's Celebrated American Panacea, for the cure of the following diseases, to wit: Salt rheum, scrofula, ulcerated scrofula, bronchitis, fever, scurvy, erysipelas—inflammatory and chronic rheumatism, piles, bilis, scurvy, chronic sore eyes, blotches or pimples on the face, scald head, and all cutaneous diseases, eruptions of the skin, or pains or ulcers arising from an injudicious use of mercury or an impure state of the blood.

This medicine is purely vegetable matter, and warranted free from any ingredient detrimental to health. Its curative properties consists in its producing a sure and effectual alterative of the whole system almost imperceptibly to the patient. It has not failed in a single case of effecting a permanent cure of the above named diseases, when the party using it would follow the directions and continue its use for a sufficient length of time. Experience has proved that in slight eruptions of the skin, or for piles or erysipelas one small bottle has effected a cure, while in obstinate cases it will take from two to four large bottles. It has been found entirely efficacious in producing regularity of menses in females, and has been taken with great benefit in pulmonary diseases.

In addition to its great efficacy in eradicating disease, it is the cheapest of the kind ever offered to the public, as the extract is brought into so small a compass that a small bottle will last an adult from twelve to fourteen days, a large bottle about four weeks; while of the others, more than double in cost of the article, will be taken in the same time. It has been fully tested by many of the first physicians in the State of New York, and now used very extensively in their practice, and by them pronounced the most efficacious compound ever discovered from vegetable matter.

Persons while in its use, should abstain from all stimulating drinks. Strong beer, mustard and highly seasoned food.
DIRECTIONS.
For a child one year old, a small tea-spoon full—Two years old, a large tea-spoon full. From six to ten years old, two tea-spoons full. From ten to fifteen years, two thirds of a table-spoon full, and for an adult from one to two table-spoons as it may be found best to act upon the system; one table-spoon is quite enough in almost all cases, to be taken before eating in the morning.

It can be procured of the General Agent, THOMAS G. TALMAGE, No. 20 Pine street, opposite the Custom House, New York.
And of
Z. D. GILMAN, Druggist, Penn. avenue, agent for the District.
A great number of letters and certificates may be seen by application to the agents, of the astonishing cures by its use.

ICE! ICE! ICE!—The subscriber having succeeded, at a very great expense, in filling his large house with Potomac Ice, of a very superior quality, is now prepared to receive orders for the coming season. He would advise all private families, keepers of hotels, boarding-houses, confectionaries, &c., who wish a supply through the entire season, to make early application, and they will not be disappointed, as many were last summer, by one or two small dealers in that article, who attempted to furnish and failed in the hottest weather, when it was most wanted.

He has the largest house in the District, and will feel bound to furnish those who commence with him until next December if they require it.

Persons wishing ice before the season for delivering from the wagons, can get it by sending to the store, where it is kept constantly on hand.
